

I am writing in reference to the new broadcast service known as LPFM and how it could possibly affect my ability to listen to my and my families favorite radio station, K-LOVE. I currently reside in the Hampton Roads area of Virginia and we have just one Christian radio station here and that is K-LOVE. It would be devastating to me and my family if we were no longer able to listen to this wonderful station. K-LOVE is the only radio station my family listens to! Also, we are financial supporters of K-LOVE and have been for a couple of years now. I feel that it is very important that K-LOVE remain on the air. They serve a wonderful cause and more people need to be introduced to the wonders of POSITIVE CHRISTIAN MUSIC. Thank-you for your time.
